

# Beach Weddings in Kure Beach, NC

Congratulations on your upcoming wedding and thank you for your interest in hosting your special day in Kure Beach, North Carolina. The following information has been put together to answer basic questions about having a ceremony on the public beach in Kure Beach. The following information is not comprehensive; if you have a question that is not addressed, please do not hesitate to reach out.

Simple ceremonies involving minimal setup can be held on the Kure Beach public beach without a permit, but restricting access to the public is not allowed. What this means is you are not allowed to rope off an area of public beach, nor block the entire beach from water line to dune. Room must be left for emergency vehicles and the public to move up and down the beach strand. The Town does not reserve areas of the beach strand for private events. Parking is available in any of the legally marked public parking spaces throughout Town and may be subject to paid parking fees, depending on the time of day/year.

Due to the narrow nature of the beach, Kure Beach cannot accommodate large or elaborate wedding ceremonies on its beach strand. A structure (tent, arbor, etc.) 10'x10' and under in size is allowed, as long as it can be easily carried to and from the beach, and setup with relative ease and quickness. Please limit the number of chairs/benches to 20-25 maximum and remember those too must be carried on and off the beach. Any equipment utilized should not be left unattended and removed immediately upon conclusion of the event.

When considering decorations, please keep in mind that it is often windy near the water and the weather can change quickly and drastically. Please refrain from using any decorations that can easily turn into litter on the beach or in the ocean. No balloons or confetti may be used as part of any decoration placed on public property. All decorations must be removed from the site immediately following the event. No open flames are allowed on the beach strand, including fireworks, tiki torches, and luminaries.

Any amplified music or PA system on the beach strand must be directed toward the ocean and away from any nearby residences. The volume of the music must not create loud and disturbing noises and all noises (music, loudspeaker, etc.) must be terminated by 11:00 p.m.

The Town has two facilities available to rent for private events: the Ocean Front Park and the Community Center. Information on each facility can be found at this link, <https://www.townofkurebeach.org/recreation> (click on the appropriate facility to see information specific to each.) Both facilities are walking distance of the beach and can be rented as a combination package or independently.

All of the information listed above is only applicable to the beach strand within Kure Beach town limits. The Town of Carolina Beach to the north and Fort Fisher to the south have different rules and regulation. Any questions or interest in rental facilities should be directed to the Town of Kure Beach Recreation Department at (910) 458-8216 or [parks@tokb.org](mailto:parks@tokb.org).
