

Calling all Kure Beach lovers!

Come 'catch the bluefish that won't get away'! The Town is offering commemorative & memorial opportunities on the new boardwalk.

Memorials are in the shape of a bluefish made from corian (like the countertop) that is embedded in the boardwalk plank. Each fish allows up to three lines of print and sells for \$220 each.

What a great way to remember a loved one or dedicate a fish in honor of the kids or grandkids.

Better hurry—they'll go fast!

Surprise someone special with an engraved fish on the boardwalk for their birthday, wedding anniversary or just because.

For \$220, you can be a part of Kure Beach history and leave a legacy in your favorite place for yourself or a loved one that believes Kure Beach is a special place to be.
