

TOWN OF KURE BEACH
WATER AND SEWER RATE CHANGES
EFFECTIVE JULY 2015

As part of the Kure Beach Fiscal Year 2015/2016 Budget, the Kure Beach Town Council approved changes to the water and sewer rate structure. Beginning with the July 2015 water and sewer billing, the following changes become effective:

1. The monthly minimum number of gallons is reduced from 3,000 gallons to 2,500 gallons. This means that additional fees will apply to usage above 2,500 gallons per month.
2. The monthly minimum rates remain unchanged; however, the minimum rates are now for usage up to 2,500 gallons. These rates are:
