

**ANNUAL STREET FESTIVAL COMMITTEE
MEETING MINUTES
MAY 11, 2011**

Attendance – Sharon, Lore, Debbie, Dennis and Dean

Some area recaps are attached.

Food area – No problems except low sales. We would not have to have so many large food vendors if we did not need their entry dollars to help pay for the festival amenities.

We discussed going back to beach since Dean indicated park should be completed. This will free up street space for other uses since band will be in pavilion.

Discussed having only a race car since we have no connective space large enough for a car show.

Consider a raffle for a large donated item such as a TV to help fund festival.

Maybe have donated items as door prizes.

Consider kite club on the beach.

Meet again in October to get T-shirts ready for Christmas sales.
