By motion made, seconded and carried the agenda and the March 5th minutes were adopted.

Old Business:

The review of the Town's Beach Ordinances has been tabled until more information is available from Council.

Turtle decals: There are still labels available to be installed. We should coordinate installing them during the beach clean-up.

Cross-over construction permits: These can be 29 inches over the dunes without having hand rail guards.

Michelle James will review "Beach 101" articles for the town web-site.

The dunes are to be fertilized in April, the purchase order has been written and the vender contacted for scheduling.

Ocean Front Park: Council is still looking for ideas from the various committees regarding this project. There will be a meeting April 15th at 5:30 at the Town Hall.

Sandy will try to coordinate the scheduling for the Spring Beach Clean-up and sea oats planting. Sandy and John Batson will "tour" the beach to locate the areas that require additional sea oats.

The Ocean Dunes group would like 600 plants for their dune area. There are about 4000 plants available, at no charge, from Carolina Beach.

April 26th Town Street Fair Booth. We will try to obtain additional magnets with the beach etiquette on them to give out. We would like to have additional information to be available to those who visit the booth. We will also require a sign-up list to man the booth along with the other committees.

New Business:

Tom Barbers contract with the Council has not been renewed and Tom has resigned from the committee. The Committee will need to nominate a new chairperson and a co-chairperson to fill Tom's position.

Our May Meeting, scheduled on the 6th is being moved to the 5th due to the election. The meeting will commence at 3:30 PM at the Town Hall.

The meeting was adjourned at 4:50 PM

Respectfully submitted:
