

KURE BEACH
Citizens Beach Protection Committee
February 10, 2009

The meeting was called to order at 3:30 PM at the Town Hall with the following in attendance:

Sandy Cox, Chair
Mike Bledsoe

Tony Gonsalves
Phyllis Mojzis

Also attending: Jim Vatr, Council Liaison

By motion made, seconded and carried the minutes of the January 6th meeting were adopted.

By motion made, seconded and carried the agenda for the February 10th meeting was adopted

OLD BUSINESS:

1. Sandy informed the committee as to what transpired at the January 15th meeting with the department heads and council and there were no further comments or discussion.
2. Sandy will sit in the P&Z meeting and convey our concerns re balloons and signage and will report back to the committee.
3. Sandy reported the costs of purchasing magnets-
1500 @ \$.54 or 1000 @ \$.63
and the committee decided to rework a new one to include new Ordinances. Phyllis will work on it and send it to the committee for their input. We will vote on it and order them at the next meeting.
4. The committee decided to table the sign we have been discussing until the sign people determine requirements, verbiage, etc. Sandy will go to P & Z to let them know we have a sign interest. Sandy also will check to see if any grants are available for our use with the sign project.
5. Educational items were discussed- posters, pamphlets, magnets, stressing the importance of the dunes and how we would display them at the street festival

NEW BUSINESS:

1. We discussed the line items for our budget, adjusted requests where needed and added line items as we saw fit. The budget will be presented to council by April 1, 2009 and we will define

our projects and costs needed to support them at that time.

2. Jennifer O'Keefe was contacted regarding the ashtray giveaway. She told Sandy they ran out and would NOT be ordering more. She is checking to see what promotional items and educational information she can get for us.
3. Phyllis will check to see when any beach cleanups are scheduled for 2009 and will try to get everyone to coordinate them so they are not duplicated.
4. The committee decided to ride the beach and research several issues at one time. We will be meeting February 19th at 10AM at N Avenue to note where sea oats are needed, where signs could be placed, how far apart signs are needed, where sand fencing is needed and to note any other beach issues.
5. A discussion came up about the committee taking on a sand fence project at the dunes at the empty lots. Mike is going to talk with Sonny and see what resources we can get from the town.

The meeting was adjourned at 5:00PM. The next scheduled meeting will be March 3, 2009 at 3:30 PM at Town Hall.

Respectfully submitted,

Phyllis Mojzis
