

KURE BEACH
BEACH PROTECTION COMMITTEE
MARCH 2, 2010

The meeting was called to order at 3:30 PM at the Town Hall with the following in attendance:

Sandy Cox, Chair
Phyllis Mojzis
Andrew Barnard

Mike Bledsoe
Tony Gonsalves
Barry Nelder, Council Liaison

By motion made and seconded the minutes for the January 5, 2010 meeting were adopted.

By motion made and seconded the agenda for the March 2, 2010 meeting was adopted.

OLD BUSINESS:

1. New committee member Andrew Barnard was introduced to the Committee. A motion was made by Tony Gonsalves to recommend to council that Andrew be made a permanent member.
2. Everyone received a copy of General Policy and Procedures for Committees....those recently approved- February 16, 2010.
3. The committee reviewed the descriptions and pricing for A Frame boards to be purchased and used by the lifeguards as warnings for rip currents. The committee decided to purchase 9 Boards (possibly 10 depending on a discussion with Harold) with the town name and logo permanently attached and to keep the frames for the exclusive use of the lifeguards. We will have message boards made for the A-frames warning of rip tides. Tony will check with Harold to affirm the color of the flags being used.
4. Sandy presented a list of beach related items for realtors renting in Kure Beach to be included with all rental information for the 2010 season. The committee reviewed amended and added items that were pertinent.
5. A discussion was held regarding participation at this year's street Festival and the committee unanimously agreed not to participate

NEW BUSINESS:

1. The committee decided to ride the beach as soon as the current

- renourishment project was completed to assess the damage to public accesses, the status of the dunes, and the need for replacement of dune signs. Mike will check with Carolina Beach to see when we can procure sea oats and at what cost. He will also check into fertilization. Sandy will also contact Spencer Rogers to ask if he will ride the beach with us and share his expertise.
2. Tony presented the idea of stations for collecting dog waste at the accesses. This topic was tabled until next month's meeting.

The meeting was adjourned at 4:58 PM. The next scheduled meeting will be April 6, 2010 3:30 PM at Town Hall.

Respectfully submitted,

Phyllis Mojzis
