OLD BUSINESS:

1. Rewriting the HOA letter was discussed to include placement of the cans on the BEACH side of the HOA walkways. The letter will be sent out after we receive approval from council at the February 21st meeting. Chuck spoke with Sonny and Sonny said if council approved, he would have no problem picking up another 7 trash cans on the beach.
2. Andy stated there was no ride on the beach as of yet.
3. Sandy reported on the Adopt-A-Beach program citing several examples. She will contact Wrightsville Beach to get an idea of costs, responsibilities, etc.

NEW BUSINESS:

1. Mike will get a written estimate for sea oats and fertilizer from Carolina Beach in time to be presented as an RFP for the February 21 council meeting. Dean will also get the committee dollar amounts and information from Al Hite.
2. The committee talked about printing and distributing pamphlets to the motels, realtors and rental units before the start of the 2012 rental season. Kerry will get pricing for printing them and the committee will check with Nancy to do them in house if it is feasible. A discussion arose about changing info for future pamphlets to include fines and fireworks. Plans for distribution will be finalized in March after the motels reopen.
3. Phyllis reported on the retreat and the outcomes which pertained to the committee:
 - to get more positive publicity from UNCW beach sweep
