Old Business:

Bo passes out copies of the 4/19/06 request for funding projects list and advised the committee of the progress. The first four items on the list have been approved by the Town Council. \$4200.00 have been approved to implement these projects which include all the signage, landscape bed at Town Hall, purchase and install two benches, a picnic table w/umbrella, waste dispenser and a cigarette disposal.

Discussion ensued regarding the particulars of each item, color, etc. By motion made by Judy Larrick, seconded by Bo Goodman carried by all in attendance.

Landscaping:

There are five areas in the Town Hall, Police Station, etc. area to be considered for landscaping. The first area we will address is upgrading the front of the existing Town Hall, then consider the other four areas. Priscilla has agreed to come up with several ideas and will present them to the committee at the next meeting.

Atlantic Avenue:

Atlantic Ave. an area consisting of three blocks separated from the ocean with a one-way road. This area needs a face lift. A great deal of discussion ensued about how to approach this project. Candace, who resides on the avenue, will poll her neighbors requesting that they put forth their ideas as to what they feel is appropriate.

She will advise the committee of her findings. The committee will draw up a preliminary outline of what should be implemented, hold a work session with Council, a public hearing for all residents to consider, then make the final request.

Word that the sand fences along Atlantic Ave. are to be removed stirred consternation. Bill Ufferman will check this out and get back to the Committee.

The meeting adjourned at 5:45PM. The next meeting will be June 12, 2006 at 4:30PM at the Town Hall.
