

*KURE BEACH  
BEAUTIFICATION MEETING  
AUGUST 14, 2006*

*The meeting was called to order at 4:35PM at the Town Hall with the following in attendance:*

*Candice Clark, Acting Chair  
Judy Larrick  
Bill Ufferman, Council Liaison  
Scott Odgen, Architect*

*Priscilla Smith, Secretary  
Barry Nelder  
Mac Montgomery, Council  
Philip Humphrey, Architect*

*Councilman Montgomery introduced Mr. Odgen and Mr. Humphrey. They gave a presentation of ideas for the Atlantic Avenue modification. The area from L Avenue and N Avenue is the focus point. They have drawn up a master plan as a start for discussion. C. Clark has conducted surveys and interviews with the property owners and residents of Atlantic Ave.*

*Discussion ensued regarding what would be appropriate for this area. Items discussed were walkway, bike path, removing speed bumps and replacing them with rumble strips, planting native plants. Replacing the tarmac with pervious concrete with "tire tracks".*

*Additional discussion of the proposed agenda ensued, but as we did not have enough members present to have a quorum, there were no votes on any of the items.*

*The meeting adjourned at 5:50 PM. The next scheduled meeting will be on September 11, 2006 at 4:30 PM in the Town Hall.*
