OLD BUSINESS:

- A. Sandman project. This project is still on hold.*
- B. Standard Signs. This project has been funded. The committee will now be able to actively address the sign problems. The committee has been asked to create signs for the Atlantic Ave. walk way advising that skate boards and bike riding are banned. The committee will request, using the new P. O. system funds to cover ten(10) to fifteen (15) hours for a company to draw up designs for these signs.*

Tony Gonsalves suggested that Bob Falco, Ken Withrow, & Barry Nelder set up a meeting with Mayor Montgomery and Michelle Jamess regarding the next steps to be taken.*
