- a. The sandman Project is still on hold*
- b. Standard Signs. The committee now has the funding to start working on the standardization of the signs in the town. This project will be discussed at the special meeting on Sept. 15th at the town hall.*
- c. Atlantic Avenue. There is still a good amount of funds to be discussed, along with the landscaping of the area, etc.*
- d. K Avenue. Gary Cox has been working on this project. He will ask John Batson to check out his ideas and get back to him.*
- e. Tree City, Bob Falco has been working on this project. He was unable to attend this meeting but did send e-mails advising of the ongoing project.*
- f. City Landscaping. The plantings by the Town Hall and Entrance signs are in need of weeding, de-heading, and other maintenance.*

NEW BUSINESS:

Our committee, the SLAP committee and the Council will meet tomorrow, Sept. 15th to discuss the town's signage, the best use of the remaining funds from the Atlantic Ave project.

Some of the ideas being discussed for the use of the remaining funding for Atlantic Ave are as follows:

1. *Extend the boardwalk south to L avenue. This will enhance the business district, will be handicap assessable, would encourage parking south of the pier.*
2. *Extend the existing walkways past the dune line.*
3. *Repair the old boardwalk*

Signage will also be discussed. P & Z are also working on this project. Our committee does need a clear understanding of the sign ordinances to proceed. We also need to know what the Council requires.

The meeting was adjourned at 5:15 PM. The next scheduled meeting will be on October 5, 2009 at 4:00 PM in the Town Hall. PLEASE NOTE THE DATE. DUE TO COLUMBUS DAY FALLING ON THE SECOND MONDAY OF THE MONTH, OUR MEETING WILL BE HELD ON THE FIRST MONDAY INSTEAD.

Respectfully submitted,

Priscilla Smith
