**OLD BUSINESS:**

- 1. Sandman Project. This project is still on hold.*
- 2. Standard Signs. Candace will request a price for the signs along Atlantic Ave. from RAGS. This will be presented to Council for approval.*
- 3. Atlantic Ave. The road work should be completed within the next two weeks. There should be no need to have signs stating "Road Bumps". This will be taken care of by painting the speed bumps. Speed limit signs required are two. One at the beginning of Atlantic Ave. and one midway. Signs at each access will be needed also. Once the road has been paved, the committee can move ahead and take care of the landscaping. The committee has received two proposals for the landscaping. Both proposals are close in amount of plants and costs. By hand vote, the proposal from RTM Landscapes was accepted and will be forwarded to Council.*
- 4. K Ave. This project is being handled by Gary Cox who was unable to attend today's meeting.*
- 5. Tree City. This project is being handled by Bob Falco. Bob met with Michelle and she was going to contact John Batson. As Michelle is leaving, the Tree City project will be put on hold at this time.*

**NEW BUSINESS:**

- 1. 2010 Projects and budget. The committee was asked to draw up a list of possible projects for the coming year. As it is getting close to budget time, the committee needs to have projected amount they will need for the 2010 year.*
