**OLD BUSINESS:**

- a. Tree planting on K Ave. This is on hold.*
- b. Standard Signs. Sonny has made a post, 4”X4” with a “weathered look” and a cut out for placement of a decal, if wanted. The post is very well done and the committee has decided that this should be the type of post to replace any existing posts that need to be replaced, and for any new posts that the town requires.*
- c. Atlantic Ave. The landscape contract for the planting at the Atlantic Ave Walkway has expired. The Town will be taking over the maintenance. The Committee would like to know if the Town needs any information on the proper maintenance of the plants and if they do, the committee would assist them.*
- d. Town Entrance Signs.. The Committee is planning to update and enhance the signs. The committee feels they have sufficient funds left from our present allotment to improve one sign. Ken has worked up a rough drawing depicting the upgrade.*

**NEW :**
