Review and accept minutes of March 4 2008 accepted as written

Update on Square Dances – Jerry Smith has changed the days for the Square Dances *from the 3rd Wednesday of the month to the 4th Wednesday*. These dances begin at 7:30 and end at 9:30 p.m. and the price is just \$5.00 per person. You are welcome to bring your own snacks and drinks. No tickets- just show up...

Update on Tony & Diane Dances – Due to other commitments from persons who normally attend these dances have forced **the cancellation of the May 10 dance.**

Treasurer's Report – Jeannie Gordon handed out the financial reports of the budget, Income and Expenses detail through March 2008 and the Petty Cash Journal from June 2007 through March 2008. Discussions took place on the "check and balance" system for the rentals of the hall. Jeannie is trying to balance the rentals with the payments and is having a problem because some checks are not in the name of the person renting the hall. She will discuss this further with Town Hall to see if something can be done to help make the reporting of income to be correct as well as more helpful for budgeting purposes next year.

CATERER: Jerry Smith announced that she needs to get a total count for attendees at the Awards Dinner within the next week. So, please if anyone has sold (or not sold) tickets, please report this to either Pat Slachetka or Jerry Smith.

Stereo Equipment usage at the Center: All members agreed that this equipment is much too expensive to have renters of the Center to have access to it. All members agreed that we would not allow anyone renting the facility to have access to any of this equipment.

New mats for two entrances at the Center: Frances noticed that two of our mats were missing from the two entrances and asked for a vote to purchase two new mats. A vote was taken and all members voted to replace these two missing mats. Frances will purchase them.

Bob Fitzsimmons and Offered Classes - The Town of Kure Beach will be sponsoring A Kure Beach Recreation Program starting in Spring 2008. Some of these programs may be held at the Community Center. There will also be some summer programs beginning in June. Interested parties may want to contact Town Hall at: 910-458-8216 for more information. Also, Mr. Fitzsimmons would be interested in the community's input for various classes and programs they would like see in future sessions. Anyone with some ideas may call Bob Fitzsimmons at: 910-200-6025. If the Center will be used for any of these classes, the Town of Kure Beach will pay for those classes.
