

## KURE BEACH COMMUNITY CENTER COMMITTEE MINUTES OF JULY 8, 2014

The meeting of the COMMUNITY CENTER COMMITTEE for JULY 8th, 2014 was called to order by Jeannie Gordon. (Harriet Owsley was out of town.) Members that attended were: Jeannie Gordon, Mararuth Capell, Barbara Boal, Robin Sack, Lore Eccleston, Craig Bloszinsky (Town Council Representative), Nicole Keely (Town Recreation Coordinator) and Pat Slachetka, Recording Secretary. The minutes of June 10th were approved by all members.

LADIES ROOM MAKEOVER: Jeannie noted that there was nothing new as yet. She has tried to contact Sonny Beeker, but he was not immediately available. However, Jeannie will try again to contact Sonny before she leaves for vacation.

RENTALS: Nikki announced that there was nothing new here. However, she did mention that funds may be used for the "Marketing Money" and could possibly be used for Beach Re-nourishment.

TOWN NEWS: Craig mentioned that the Planning & Zoning Committee is aware that there are some very large homes being rented for multiple families and quite a few cars being parked at these homes. Mararuth and Robin mentioned the noise coming from some of the large homes near their homes on the beach. Craig reminded us that homes being rented need to follow *ALL RULES & REGULATIONS* where houses have many families renting. The TOWN will need to control visitors where many families are renting and having loud parties. The problems noted by a few of the homes along the ocean are becoming larger problems like: too many cars, lots of garbage, animals (dogs), children screaming, loud music, loud parties, etc. Perhaps the town should look into Paid Parking (a good point for revenue???). That would need discussion by the Town Council.

DUNE PROBLEMS: Robin mentioned that there seems to be a problem with children playing on the dunes and obviously not paying attention to the signs. Someone needs to address this problem. (Perhaps the Life Guards could keep an eye on them.)

NEW FALL EVENT: Harriet has been in touch with someone who will give a talk on "LOCAL BIRDS" on September 20th beginning at 10 a.m. at the Community Center. Perhaps the Town could put out a notice on this Event.

BARBEQUE NOTES: AUGUST 16th IS THE DATE FOR OUR YEARLY BARBEQUE. The price per person is \$8.00. The "MIDDLE OF THE ISLAND" catering is preparing the BBQ meat. Big Daddy's is providing their wonderful Cole-Slaw. All other items have been purchased.

IN LIMBO: Jeannie Gordon is having a small problem with the Potato Salad. She will be sampling different places to purchase it. NOTE: Jeannie will be leaving for her vacation on July 22 and return on August 11. In Jeannie's absence, Mararuth will be the contact for all the BARBEQUE matters. Most of the necessary "food items" have been purchased and are being stored at the Community Center. Meeting adjourned at approximately 11:20 a.m.

Respectfully submitted by: Patricia M. Slachetka, Recording Secretary
