Old Business

Town News

Hurricane Matthew impacted the North Carolina coast the weekend of October 8, 2016. Kure Beach fared well with some wind erosion of dunes and damage to a set of stairs. Pumps operated everywhere despite power surges.

The ROT survey is complete with 352 accounts listed.

Craig encouraged everyone to vote. Early voting begins October 20 in Carolina Beach and in other locations around New Hanover County.

Rental Updates

Nikki reported that there were not many changes from last month. A few events needed to be cancelled due to the storm.

Jeannie and Barb will update the committee at the November meeting about the plaque for Ron Griffin and the purchase of a restaurant style can opener for the center.

Lighted wire globe community project

The date for this project has been set for Sunday, November 20th from 3-5pm. The price to make a globe is \$2.00 plus a can of food for the Help Center. Nikki will advertise this event and create flyers for distribution. At the November meeting the committee will review supplies needed for this project.
