Cc: [REDACTED]

Meeting was called to order by Eric Vann. Attending were Ted Gragg, Karen Vatr, Mac Montgomery and Eric Vann.

1. Committee was informed that Carolina Beach and Kure Beach Stormwater Groups would be sharing a booth(tent) at the Seafood and Jazz Festival. Mac indicated Sonny's Public Works staff would put up tent and take it down. Karen was to contact Tim Owens or Brian Stansberry to coordinate the two groups. Karen is to develop schedule to staff booth during prime hours of traffic. Mac was to solicit volunteers for the booth. Ted will not be in town during the Festival.
2. Eric Vann shared information contained in a "Stormwater Application Packet" that had been put together by Sonny and Robin in Public Works. Hopefully this packet will make the application process easier for owners/builders and prevent applications from being denied due to missing information, clerical errors etc.

Moody friends. Drama queens. Your life? Nope! - their life, your story.
