

**KURE BEACH STORM WATER COMMITTEE
SEPTEMBER 9, 2008
MEETING MINUTES**

The Kure Beach Storm Water Committee met on September 9, 2008 at 5:00pm in the Town Hall Conference Room. Attending were Barry Nelder, Ted Gragg, Vinny Doran, Tony Garibay and Eric Vann.

Items discussed and acted upon:

1. Reviewed an email from Karen Vatrtr concerning adding Storm Water BMPs at Town Hall. Some discussion concerning how to utilize rain barrels was made. It was decided to take up topic at next meeting due to time constraints.
2. Eric Vann informed committee that Beachwalk Subdivision has requested the Town to assist in the maintenance of their retention ponds again. They have hired an attorney to make the request this time. Barry Nelder informed committee that all Town records concerning this subject have been provided to the attorney.
3. Eric Vann requested that any ideas the members or friends of the members have concerning the Ocean Front Park be given to either him or, better still, be brought to the Ocean Front Park Committee meeting.
4. Eric Vann asked the members of the committee to think about the possibility of increasing the Storm Water Impact Fee, which is required on properties not covered by the USMP, with the goal of encouraging owners to bypass the fee by building to USMP standards.

Meeting was adjourned at 5:45 pm.
