Topic	DISCUSSION	ACTION TO TAKE
Call to order	at: 4:05 ET By: JG	
	FE motion to approve November minutes, TM second	
Future Speakers	March 11 th meeting? Mitch Woodward on rainwater harvesting for small lot. Melanie Doyle from Aquarium native plants/rain garde, water collection? French Drain pros and cons? Cisterns? Go to both Ace Hardware and Tru Value for rain barrel giveaway? Check to see if we can change time to Tuesday at 6:30? Available for	EV to contact Mitch Woodward TM to contact MD ES to contact Dennis Barbour and Chris EV to resend Star News article
Stormwater Progress	During the NC Beach, Inlet and Waterway Assoc. conference this week, DNER staff said Water Resources Division has been combined with the Water Quality Division; but the Clean Water Trust Fund has been combined with the Natural Heritage Program and cut to \$6 million. They also said there will be big changes in the program, such as no more storm water infrastructure projects; but they have not completed the changes. Beachwalk – 3 ponds on Sunny Point land possible? Pumping costs and maintenance costs were the big costs. Hanby drainage ditch - Letter sent to property owners was too strong. ES says Sonny has taken care of and should know by this time next week. Clean out ditch is the biggest issue.	
CB Cigarette Butt Collection	Cigarette butt collection system at dune line. Starting with boardwalk.	JG to contact Brian Stanberry for more information.
Public Seminars	movie "Bag it" in conjunction with Surf Riders, Island Women Org, WB, CB, KB – needs to go through New Hanover County -	ML to find out CB contact
