Dune Infiltration System (DIS)/Beach Re-nourishment	KB will not have beach re-nourishment for at least 2 years. Ask Sonny for a plan for the needed new infiltration systems (we have 15 we could do.) Can we do 3 or 4 at a time? Ask Sonny to come to meeting in August to see about state \$\$\$ at 0% interest loan.	ES to ask Sonny to come to meeting in august to see which ones he has selected and to have \$\$\$.	
Plastic Bag Strategy	Resolution sent to county 2 years ago (?) asking to ban plastic bags in the county. Show island businesses that economically it is worth it. Ace Hardware for example.	ML to talk to Island Local, Island Women Environmental Committee and Chamber about next steps
