- Discussion of Town Logo use by Bike/Ped Committee

Town Clerk Sanders stated the second item is the Bike/Ped Committee has requested to use the Town logo with an outside vender. The vender the Town uses requires a minimum of 12 items to be ordered at one time.

Mayor Bloszinsky asked Attorney Eldridge does the Town have a simple agreement to use with the vender?

Attorney Eldridge stated not at this time, but it would be a simple fix to create one.

MPT Oliver stated the Committee members purchased their own shirts and the members just want to take the logo to another vender to get the two shirts printed.

Mayor Bloszinsky commented he has no issues with that but wants to make sure the new vender understands that the Town seal is protected.

Commissioner Panicali asked is it worth considering just ordering 12 shirts in different sizes? He is unsure if the Committee will be able to find a vender who will print only two shirts.

Chairperson Linquist commented yes that was one of the solutions the other one the Committee considered was using the Town store to purchase shirts and personalize the shirts to add Bike/Ped on the shirt.

Recreation Director stated she would be able to allow that on those shirts.

Town Clerk Sanders stated she prefers to use the Town store instead of using another vender.

CONSENSUS- Town Council agreed for the Bike/Ped Committee to use the Town store to purchase additional shirts

2. Finance Department

Finance Officer Copenhaver commented the Finance Department will be working on the Utility Bill implementation of the new software this week. The April bills will hopefully be the first ones with the new software.

TOWN COUNCIL MINUTES

REGULAR MEETING

Monday, March 20, 2023 @ 6:00 p.m.

Resident Tracy Mitchell asked was the Beachwalk portion included in the plan?

Mayor Bloszinsky stated no it was not needed based on the input of the citizens.

Commissioner Heglar commented how was it decided that the lot would not be needed? Why wouldn't the Town do it if it was being offered by the HOA?

Mayor Bloszinsky commented the Town would need to receive a deed from the HOA with it having the condition of it being a park.

Commissioner Heglar stated his issue with not using the land would be that it would landlock the property. He does not think it is a good practice to landlock private property. If an HOA is willing to give property, why would not the Town use it.

Mayor Bloszinsky stated it would not landlock the property as they would have access on the right of way. If the HOA is willing to give the Town the deed based on it being a park then the Town could show that on the park plans.

Attorney Eldridge commented let us put it on the agenda for next month.

MOTION- MPT Oliver made a motion to cancel the Public Input Session until further information is received

Subject: Petition to support the Island Greenway Extension
Attachments: Greenway_petition_comments.xlsx; Island Greenway Extension Petition.xlsx

Hi Mandy, can we have the following read at the next town council meeting? Could you also read the attachment of short comments from people who signed the petition?

Less than one month ago we posted an online petition to support the extension of the Island Greenway to Fort Fisher. This petition is specific regarding the use of the MOTSU corridor. The petition was promoted locally to neighbors, the Island Facebook group, and spread among families on the island. Here are almost 500 signatures collected in just the past month. We will continue to collect signatures and comments through June but I wanted to send the current signatures and comments to display our support for this project.

Link to the petition: <https://chnng.it/vtx8h7Bdp4>

The Town of Kure Beach has the opportunity to extend the Island Greenway from Carolina Beach to Fort Fisher. See pages 12-15 of the Kure Beach Bicycle and Pedestrian Plan.

No land would be taken from residents to create sidewalks or paths. Island residents would gain the use of neighboring land owned by the federal government. Cyclists and pedestrians would gain a safer route of travel that would allow them to avoid traveling on the narrow shoulder of Fort Fisher Blvd.

This was the #1 project requested in the town survey of residents. A small, but very vocal, group of neighbors object to the trail passing on the federal land behind their properties. The island residents who support this project need to voice their support.

Thank you,

Bill Mooney

Elizabeth Houston	Kure Beach	NC	28449	US	2023-03-06	"I bike around the island, and prefer paved trails, like the greenway, over busy streets, especially during tourist season. We need family friendly and safe places to bike."
Kaitlyn Overstreet	Richmond	VA	23226	US	2023-03-04	"It's a safe bike trail for my kids!"
Jenni battle	carolina beach	NC	28428	US	2023-03-02	"We ♥ the greenway and would love to ride further."
Jamey Britton	Carolina Beach	NC	28428	US	2023-03-01	"We utilize the greenway in Carolina Beach and would love the opportunity to include Kure on the ride. 100% agree to this extension."
Mary Riordan	Kure Beach	NC	28449	US	2023-02-26	"I use the CB greenway and love the idea of extending it south through KB to make it safer for pedestrians and bikers."
Mike Matsinger		AL		US	2023-02-23	"Love the island and love how much they do for locals and visitors alike looking to explore safely :)"
Linda Cheshire	Kure Beach	NC	28449	US	2023-02-22	"Greenways increase property values!They are used by people who enjoy walking or biking and deter illegal activity."
Joanne Durham	Kure Beach	NC	28449	US	2023-02-21	"It would be wonderful to have the bike route all the way to Fort Fisher. The CB part gave ample privacy and space away from homes, and I'm sure the same could be done in KB."
Karen Rae Steele	Englewood	NJ	7631	US	2023-02-21	"I would love a safe way to bike all the way to Kure Beach and even to the Ferry to Southport. I now live on Carolina Beach, NC. At age 76, I want to be biking away from ANY TRAFFIC!"
Jennifer Godbold	SF	CA	94110	US	2023-02-21	"We enjoy using the existing Carolina Beach trail but to access it from our house in Kure Beach requires riding on either Dow Road or Lake Park Blvd. which feels dangerous. In the summer months those roads are very congested with cars and boat trailers. An extension of the trail would eliminate this and be a wonderful enhancement to Kure Beach."
Kelly Evans	Carolina Beach	NC	28428	US	2023-02-20	"More useable greenway space is much needed"

Gayle Thear	325 Kure dunes	NC	28449	US	2023-02-20	"I want to support the greenway. It is much needed for safety as well as following what other Sates are doing to complete the Greenway. It will be a wonderful bike trail when completed. CB did a beautiful job on theirs and Kure Beach needs to follow. The majority of the people in our community want it and already use the greenway that is completed."

Price Monica	Carolina Beach	NC	28428	US	2023-02-20	"Lets get this done!!! I heard lots of negative comments from owners regarding the original path near their property in CB, Once done, they changed their tune! They love it now!!!"
Kevin Dovel	Carolina Beach	NC	28428	US	2023-02-20	"The entire island benefits from this extension. Please do not let the voices of the few rule over the voices of the many."
Linda Talmadge	Kure Beach	NC	28449	US	2023-02-20	"We are co-owners of a home on Sealane Way and always look forward to our stays at Kure Beach. We love biking in the area. We have always been reluctant to ride down Fort Fisher Blvd due to the traffic. It would be great to have a safe route to the ferry, aquarium and state park."
Sara Mussenden		NC		US	2023-02-20	"This will provide a safe biking and walking trail to all participants. The feels like a total neighborhood, you see young kids learning to ride their bike, neighbors walking for their exercise or recovering from their surgeries or mishaps. Everyone enjoying nature at its best in a safe environment."
philippe thompson	Carolina Beach	NC	28428	US	2023-02-20	"I love the Greenway, very enjoyable"

Brittany Rhoads	Kure Beach	NC	28449	US	2023-02-18	"Bolster local economyAttraction for visitorsSafety of general public Keep roadway clear for traffic"
Suzi Drake	Carolina Beach	NC	28428	US	2023-02-14	"The Greenway is awesome and would be even more awesome if it went all the way to ft fisher."

Rick Kiernan	Carolina Beach	NC	27605	US	2023-02-14	"I love using the current greenway. However the only way for my wife and I to ride our bikes to Fort Fisher is via the main road. That's not bad in the fall, winter, and spring, but it can be a little nerve wracking in the summer with so many cars on the road."
Maureen Lewis	redondo Beach	CA	90277	US	2023-02-14	"We live directly across from the Green Way and are delighted that we chose this location to buy our house 4 years ago. The value of our street has increased because we have the green way at our front door. Every realtor uses proximity to the Green Way as a selling tool when listing a property. No peeping Toms. No increased crime. The NIMBY's in KB who don't want the extension and use these feeble arguments to dissuade the public are doing a disservice to the community."
Mark Haworth	Wilmington	NC	28409	US	2023-02-14	"The Greenway adds value and a safe path for outdoor recreation in our community. I support it 100%."
Jenni battle	carolina beach	NC	28428	US	2023-02-13	"We love using the greenway as a family and extending it would be amazing as we could ride our bikes safely even further down the island."
william mooney	North Carolina	NC	27605	US	2023-02-10	"Selfishly, I want this for myself and my family but I also think it would be an amazing asset for the island."
