Committee Minutes

April 11, 2023

Call to Order: Meeting was called to order by Christine Burrows. Additional committee members present were Linda Collora and Ellen Owens. Mayor Craig Bloszinsky and Recreation Director Nikki Keely joined the session.

Approval of Minutes: Minutes were approved for the March 14, 2023 session.

Recreation News: Nikki provided an update on scheduled Community Center events.

Community Center: The committee accepted the resignation of Gerald Stavlas. With Chairperson John Shalanski's requested time away to recover from surgery, the committee will need to elect a stand in Chairperson to serve for the remainder of the year. Linda Collora will request a "special meeting" date and time from the remaining committee members to hold an election and discuss vacant committee member opportunities (separate email to follow). The HOP-arazzi spring event was reviewed for future scheduling. It was agreed that we need to plan future events a bit earlier in our planning to allow for a broader communication spread to drive up attendance. Mayor and other members noted that those who attended shared positive feedback. Also, we acknowledged that our town's demographics may contribute to fewer participants for events focused around young children. For other upcoming events, we'll explore options of "tagging" on to other community events and leveraging Face Book for awareness.

Adjournment: Meeting was adjourned at 10:15 am. The next scheduled meeting will be on May 9 at 9:30 unless the committee votes on new day and time for upcoming sessions based on "special meeting" request to be held prior to that session.
