#### COMMITTEE MISSION STATEMENTS

Council approved mission statements for the following committees: Beach Protection, Beautification, Community Center, Economic Development, Hall of Fame, Marketing, Ocean Front Park, Parks and Recreation, SLAP, Stormwater and Street Festival.

#### PURCHASE ORDER SYSTEM FOR COMMITTEES

Council approved the implementation of a purchase order system for committees, except the Community Center, for any purchase made.

#### OCEAN FRONT PARK

Mayor Pro Tem Dugan is to explore solar/wind energy sources for the Town and/or Ocean Front Park with the information provided from the Energy Summit attended by the Town Administrator, and return to Council in August with recommendations.

#### PARKING ISSUES AT OCEAN FRONT PARK

The SLAP committee will participate in the August 3, 2009 Economic Development Study Committee meeting. Mayor Montgomery directed Tony Gonsalves to contact Bill McDow, WMPO Parking Study Engineer, to attend the meeting with him.

#### TREE CITY

Council approved beginning exploratory work towards becoming a tree city between staff and the Beautification Committee.

#### CITIZEN REQUESTS

Council agreed by consensus that Town records considered “public” should be produced for public inspection at the earliest possible convenience; however, that does not mean that staff is expected to tailor an existing document to meet the needs of one particular citizen.

#### NC AQUARIUM AT FORT FISHER TRICK OR TREAT UNDER THE SEA CONTRIBUTION

Council approved a contribution of \$150.00.

#### CUSTOMER RELATIONS

Mayor Pro Tem Dugan is to work with Attorney Canoutas to develop rules and procedures for confrontation with staff/public and staff/Council.

Town Administrator to contact the COG, League of Municipalities and School of Government regarding ethics procedures and/or classes to address this issue.
